Copy of letter No. D.Dis.441/35-S dated 17-9-1935 from the Collector of South Kanara, to the Commissioner of Labour, Madras.

The Girls' Boarding Home maintained by the Depressed Classes Mission, Mangalore, is at present located in a rented building belonging to the Brahmo Samaj. The Secretary of the Depressed Classes Mission represents that it is not very convenient to run the Boarding House there. The Mission also finds it difficult to secure a more convenient building anywhere else. It therefore proposes to construct a new building for the purpose and applies for a grant towards the cost of construction. A site can be found on the hill, fairly adjacent to the existing buildings for the boys' school. I have reserved the site for the Mission. The erection of a girls' boarding house will improve the control of the Mission over the girl pupils.

2. A plan and an estimate for the construction of the building got prepared by the Mission, are enclosed. The total cost of the work is estimated at Rs.1,350/- The Secretary of the Depressed Classes Mission proposes to meet one half of the cost of construction from the gifts received by the Mission. Provision, may, therefore, be made in the budget estimate for 1936-37 for the other half of the cost of the building, viz. Rs.675/-
